**Player Agreement**

I maintain that the scores reflected on the above, supplementary Twin Galaxies Player's Agreement form are true and accurate, and that they are subject to the same verification and challenge process as covered under the standard Twin Galaxies Player's Agreement form. The purpose of this supplementary form is to be used exclusively for multiple submissions on the Nintendo 64 title "Pokemon Puzzle League". My personal information is also correctly reflected on the "Master" Twin Galaxies Player's Agreement form.
